DOB : 30 June 2001
Hyderabad | India

SUMMARY

- Driven and enthusiastic Software Engineer with a Bachelor’s degree, eager to embark on an entry-level role within the IT sector.
- Possesses a solid foundation in HTML, CSS, JavaScript, Python, and MySQL.
- Committed to developing innovative and responsive web solutions.
- Recognized for strong communication skills, adept problem-solving, and adaptability to evolving technologies.
- Known for attention to detail, creativity in design, and effective time management.
- Thrives in collaborative team environments and is committed to continuous learning and growth in the field of web development.

PROJECTS

Project Title: Rental Platform

Technologies: React, JavaScript, HTML, CSS, Firebase

Description: Developed a rental platform for browsing and booking items online with real-time data management via Firebase. Features include advanced filtering, a cart for managing rentals, and a ratings and reviews system. Users can create profiles to manage bookings and track rental history. The platform offers a responsive design for seamless navigation and an intuitive user interface.

Project Title: E-commerce Website

Technologies: HTML, CSS, JavaScript, Firebase

Description: Developed a fully functional e-commerce website that includes user authentication (signup and login) and shopping cart features. Implemented real-time data management using Firebase to handle product listings, cart updates, and user sessions. The website provides a seamless shopping experience with intuitive user interfaces and responsive design.

Internship

Data Analyst Intern, Start Tech Academy

May 2022 – June 2022

- Cleaned and preprocessed the data to handle inconsistencies and organize information. Performed exploratory data analysis (EDA) to identify trends and patterns in user reviews. Utilized statistical methods to analyze and interpret the data.
- Created visualizations and reports to present the results and validate the accuracy of the predictions. Generated actionable insights based on the analysis.

SKILLS

- **Technical Skills:**
Html, Css, JavaScript,

React, Python, My SQL
- **Soft Skills:**
Problem-solving,
Good Communication,
Analytical skills,
Time management

EDUCATION

- **B-tech, CSE**
Gitam University
Jul 2019 - Apr 2023
CGPA- 8.28
- **Intermediate, MPC**
Narayan Jr college
Jun 2017 - Mar 2019
CGPA 9.67

- **SSC**
Vignan Vihar High School

Jun 2016 - Mar 2017

CGPA 9.2

Certification

- **Data Analysis with Python**
By Coursera
- **Complete JAVASCRIPT with HTML , CSS**

By Udemy

Languages

English - Fluent
Telugu - Native
